For the attention of the owner/occupier

Dear Neighbour,

Congleton Link Road - Notice of intention to commence works on Sandy Lane

As the Principal Contractor working with Cheshire East Council on the new Congleton Link Road, we would like to inform you that we will be commencing construction activities on Sandy Lane from Tuesday 28th May 2019 until February 2020.

As part of our work, we will complete the following:

- Access the adjacent fields to carry out earthworks
- Divert and install services
- Construct two new roundabouts

IMPORTANT INFORMATION ABOUT ROAD CLOSURE

It is intended to close Sandy Lane between Sandbach Road and Holmes Chapel Road for 9 months. The closure will be in place Monday to Sunday 24 hours per day.

The closure is essential to allow the construction of two new roundabouts and to divert and install new services. The road cannot remain open due to inadequate existing road widths and our operative's safety. Diversion signage will be in place and a diversion map is enclosed for your convenience.

We are aware of the effect traffic disruption has on our neighbours and the local community and will only be diverting traffic onto local roads when necessary.

We will continue to communicate and engage with you during the works to ensure that any inconvenience is kept to a minimum. If you would like more information on the Congleton Link Road construction:

Yours faithfully
