Our Ref: TA24 02
Your Ref: A320 road improvements

21 March 2025

Dear neighbour

Guildford Road temporary traffic lights.

We will soon be establishing our site compound which will be our temporary base throughout the duration of our road improvements scheme. The compound will be located in a field adjacent to Guildford Road, between the Ottershaw and St Peter's roundabouts.

Next week, from Monday 24th to Friday 28th March, we will be constructing our compound's entrance point and to carry out these works, we need to install two-way temporary traffic lights on Guildford Road between the Ottershaw and St Peter's Way roundabouts. We will be installing these traffic lights during off-peak hours, from 9:30 am to 4pm Monday to Friday.

Keep in touch

If you would like more information about the improvements to the A320 between Ottershaw and Chertsey:
