

GRAHAM

iQ Student Accommodation, 225 Bath Street, Glasgow

Construction Phase Newsletter

Issue 1

June 2023

Notification of Construction Works

Dear Resident,

We wish to notify you that we will be delivering an exciting new student accommodation development at 225 Bath St, Glasgow G2 4GZ.

GRAHAM does anticipate some inconvenience through noise and other disruptions associated with construction works. There will also be road and footpath restrictions to ensure the safety of all stakeholders including residents, members of the public and site staff and visitors.

We apologise in advance for any inconvenience caused. We will endeavour to keep disruption to a minimum and be good neighbours.

Project Information

iQ Student Accommodation Bath Street is a Purpose-Built Student Accommodation development offering 551 beds plus amenities.

In May 2023 we commenced with enabling works for the building, including sheet piling.

Upon completion of these works, we will be undertaking the construction of the development.

It is anticipated that the construction period will be two years, with the development due for completion mid 2025.

What We Will Do

- Monitor noise, vibration and dust to ensure they are kept within the permitted levels.
- Ensure the traffic management system is in place and maintain a safe working environment at all times.
- Deal with any enquiries or complaints in a professional and efficient manner and work with our neighbours to reduce the impact our work has on the community.

Considerate Constructors Scheme

GRAHAM is registered with the Considerate Constructors Scheme (CCS).

Organisations registered with the Considerate Constructors Scheme make a commitment to conform to the Code of Considerate Practice:

- Respect the Community
- Care for the Environment
- Value their Workforce

Here To Help
