1.

What does your role involve?

“As a Document Controller, I control, record, maintain and archive project documents from tender all the way through to project manual stage.”

2.

If your colleagues had to describe you in three words, what would they say?

“Team player, knowledgeable and fun.”

3.

What is a topic you wish you knew more about?

“I wish I could speak more languages. I think it is so much better to know the local language when travelling to a non-English-speaking country, rather than to expect the people there to speak English. With that being said, I’m currently teaching myself Spanish!”

4.

**What piece of advice
would you give to your
younger self?**

“Mistakes are part of being human and part of the growth process. There is nothing to be ashamed of, just events to learn from.”

5.

**Where do you see yourself
in 5 years?**

“In 5 years, I see myself continuing to develop my skills and gain more experience with GRAHAM. I am always looking for new opportunities to learn and grow, and I am open to new challenges and responsibilities.”
