

Clyde Waterfront & Renfrew Riverside

Spring Clean Scotland

#SpringCleanScotland is taking place from 21st of March to 21st of April, and GRAHAM are once again supporting this very worthwhile cause.

Members of the Clyde Waterfront and Renfrew Riverside Civils team took part in a community tidy up around the Meadowside area of Renfrew.

The team spent the morning collecting plastic and glass bottles, crisp packets, industrial sandbags and even discarded gardening equipment.

Due to the efforts of the Civils team 14 bags of rubbish were removed from this popular walkway.

A number of local residents stopped to commend the GRAHAM team for their efforts and hear more about upcoming works on the Clyde Waterfront and Renfrew Riverside Project.
